

Seamless school-to-home math learning with an interactive classroom tool, and live, one-on-one, online afterschool math tutoring. Transform here and how grade 7-10 students in Ontario learn math.

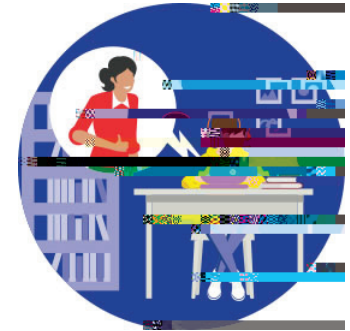

### Interactive learning

- z Share whiteboards with students, as notes or as prompts for students to work outside of class
- z Create lessons and activities to demonstrate to small groups or the entire class
- z Enable students to submit links to their whiteboards to show their learning for feedback or evaluation

### Seamless Learning

- z Personalized math portfolio to store math learning; easily transition school to home learning; and enable sharing between teachers, students and tutors
- z Seamless interactive whiteboard with ability to import or upload images or screenshots of math questions or problems to work through

### Free Live Afterschool Tutoring

- z Live 1:1 tutoring with Ontario Certified Teachers, text, audio, integrated text, recorded sessions and ability to choose or rotate tutors.

Sunday to Thursday
