A. For the 2023-

Q. Will students be bused to Adam Scott CVI who are currently within walking distance of Kaawaate?

A. Busing eligibility is based on established walking distances through Board policy and administered by Student Transportation Services of Central Ontario. More information is available at www.stsco.ca.

Q. Can an addition be built at Kaawaate East City PS to create more classrooms?

A. Unfortunately, funding is not currently available for any further additions or renovations to the Kaawaate East City PS school building.

Q. Can the topography be changed to accommodate additional portables?

A. We do not have funding available to explore further adjustments to the Kaawaate East City PS school footprint or layout.

Q. Can an outdoor amphitheater or stage be built to replace the gym stage if it gets utilized for classroom space?

A. Unfortunately, this would not be possible for September 2024.

Q. Can space at the Peterborough Museum be utilized?

A. Leasing offsite space is not something we believe we can accommodate because of funding, school operation and supervision challenges.

Q. Can the transition be delayed until September 2025 so that two cohorts of students could go together?

A. The significant accommodation pressures expected at the school for September 2024, and beyond, means further delay is not possible. Should it be approved by the Board, we will commit to a robust transition plan for students impacted by this decision.
